

STOUT

STOUT is a creamy white, smooth uniform warewash block designed specifically for use in soft water accounts. It is neither too hard nor too soft, but dissolves at just the right speed to provide uniform level of your capsule. STOUT contains highly effective functional ingredients that fight stubborn food soils and provide reserve capacity for tough cleaning jobs.

DIRECTIONS: STOUT is designed specifically for use with automatic dispensing equipment. Your representative can install the dispenser and set it to dispense the correct amount of STOUT for your cleaning requirements. Use 1/16 oz per gallon of wash water. Heavy soils and low wash temperatures may require additional product. **DO NOT USE ON SOFT METALS SUCH AS ALUMINUM AND PEWTER.**

DANGER: Causes severe skin burns and eye damage. Precautionary: Do not breathe dust. Wash thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. First Aid: If swallowed: rinse mouth. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If inhaled: Remove person to fresh air and keep comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center/doctor. Specific treatment: Wash contaminated clothing before reuse. Store locked up. Dispose of contents/container according to local, state, and federal regulations.
